

Eagle Pointe Lodge Guest Information for 2024

PACKING YOUR LUGGAGE

Due to limited space, we ask that you use soft-sided bags which does not exceed 30 lbs. per person.

WHAT TO BRING: Each guest will be suited with premium raingear and rubber boots for use while on the water. As weather conditions vary throughout the day, we suggest you dress in layers. Here are some suggestions.

- a jacket
- long sleeve shirts or sweatshirts with hood
- long underwear or sweatpants
- thick warm socks
- toque, hat and gloves
- bathing suit
- sunglasses and sunscreen
- personal toiletries

Dress is casual at the lodge and at dinner, so be sure to bring what you are comfortable wearing.

Due to quick changeovers between groups, there may be times there will be no access to rooms upon arrival, it is recommended you arrive in clothing that you can go straight out fishing in.

FISHING GEAR, LICENSES & EQUIPMENTS

Each boat is equipped with top quality rods, reels, tackle and bait. We will prepare and have your fishing licenses ready for you at the lodge.
